REVIEW - 2026-10-26

Rechecked Ministry programme page and ten-page July 2025 programme: restricted nationality list excludes Pakistan, IT/marketing qualifications, foreign employer with 50 employees worldwide, 1.5-times average gross salary, prior Czech permit exclusion, joint family filing and adult dependent education route, original/notarised documents and 180-day exceptions. No published requirement changed.

02 / Your document checklist

Tick each item as you prepare it. Items that depend on your circumstances still need the official filing checklist.

- ☐ 01 Verify eligible nationality and IT/marketing role before preparing a filing.
- ☐ 02 Programme application and Ministry confirmation of inclusion.
- ☐ 03 Employee: foreign business registration, at least 50 employees worldwide, and remote contract.
- ☐ 04 Freelancer: trade-registration evidence and qualifying client contract.
- ☐ 05 Remuneration at least 1.5 times the applicable average gross salary.
- ☐ 06 IT: accepted STEM degree or at least three years' IT experience. Marketing: at least three-year higher education in marketing or an accepted related field.
- ☐ 07 Long-stay form, passport, photos, accommodation, funds, and police records.
- ☐ 08 Original/notarised documents, Czech translations, and document-age compliance.
- ☐ 09 Insurance, fee, and family civil/application records where applicable.

BEFORE SUBMITTING

Check dates, names, document validity, translations, and the checklist for your actual filing location. Keep originals and clear copies where required.

03 / Your next steps

- 01** Use the Czech Digital Nomad Program route. Embassy and program instructions matter a lot.
- 02** Programme inclusion is separate from visa approval.
- 03** Most documents must be under 180 days old, with exceptions for travel/civil-registry documents.
- 04** Applicants must not hold, or have held during the preceding year, a Czech long-term visa or residence permit. Eligible family should apply together; an adult dependent child has a separate study/education route.
