E33G requirements, fee and entry window checked on the official Immigration and eVisa pages on 6 October 2026. This is the foreign-employment route; a tourist entry is a different permission.

02 / Your document checklist

Tick each item as you prepare it. Items that depend on your circumstances still need the official filing checklist.

- ☐ 01 Passport with at least six months remaining validity.
- ☐ 02 Recent colour passport photograph.
- ☐ 03 Three months of personal bank statements showing at least US\$2,000 or equivalent.
- ☐ 04 Bank evidence of salary or income worth at least US\$60,000 annually.
- ☐ 05 Employment agreement with a company established outside Indonesia.
- ☐ 06 Current CV and travel itinerary.
- ☐ 07 Electronic PDF/JPEG files, completed E33G application, and visa payment.
- ☐ 08 If bringing family, obtain the separate family-permit checklist from Immigration.

BEFORE SUBMITTING

Check dates, names, document validity, translations, and the checklist for your actual filing location.
Keep originals and clear copies where required.

03 / Your next steps

- 01** Create an account on the official eVisa portal, choose E33G, upload the file and pay. Once issued, use the visa to enter within 90 days; that entry window is separate from the authorised stay.
- 02** Official published government fee: IDR 7,000,000 for the one-year package. Check the amount shown at payment.
- 03** The published E33G route does not require a sponsor.
- 04** Work must be for the overseas company. Indonesian wages and selling goods or services are prohibited under the published visa conditions.
- 05** Extensions are submitted through Immigration's eVisa system. Confirm family-permit requirements separately.
