REVIEW - 2026-10-26

Rechecked official eVisa digital-nomad supporting-document table: foreign employment or three-year foreign company, authenticated Romanian translations, foreign-company details, letter of intent, apostilled/legalised fiscal/tax proof, six months and intended-stay income at three times applicable average gross salary, €30,000 full-stay medical cover, housing, police records and travel proof. Family finances remain subject to separate official checklist. No published requirement changed.

02 / Your document checklist

Tick each item as you prepare it. Items that depend on your circumstances still need the official filing checklist.

- ☐ 01 eVisa long-stay application, passport, photograph, and consular documents.
- ☐ 02 Original foreign employment contract and authenticated Romanian translation, or evidence of remotely managing your own foreign company registered for at least three years at application.
- ☐ 03 Business registration and records describing the company and your activity.
- ☐ 04 Letter explaining the remote work and intended Romanian stay.
- ☐ 05 Income for each of the last six months and intended stay, meeting three times the applicable average gross salary.
- ☐ 06 Original tax-compliance/fiscal-residence certificate, apostilled or legalised as applicable, with authenticated Romanian translation.
- ☐ 07 Travel medical insurance covering the entire requested stay for at least €30,000; accommodation, criminal-record certificate and travel booking/vehicle evidence.
- ☐ 08 Romanian translations, legalisation, fee, and IGI residence-extension documents when applicable.

BEFORE SUBMITTING

Check dates, names, document validity, translations, and the checklist for your actual filing location. Keep originals and clear copies where required.

03 / Your next steps

- 01** Start online through Romania's eVisa portal, then follow consular submission steps.
- 02** Romania is attractive, but the threshold is formula-based and should be checked right before filing.
- 03** Use the official eVisa portal as your starting point.
