REVIEW - 2026-10-26

Rechecked London instructions updated 8 September 2026 and Savannakhet instructions updated 27 August 2026: five-year multiple-entry DTV, 180-day entry plus one possible 180-day extension, THB500,000 funds, foreign workcation proof, spouse and children under 20 separate applications. Permanent-residence and police-clearance restrictions remain mission-specific; Savannakhet effective date is 31 August 2026. No published requirement changed.

02 / Your document checklist

Tick each item as you prepare it. Items that depend on your circumstances still need the official filing checklist.

- ☐ 01 Passport biodata page; check the mission's minimum validity (normally six months).
- ☐ 02 Recent photograph meeting Thai eVisa specifications.
- ☐ 03 Evidence of current location and the residence status required by the responsible mission; some posts require permanent residence.
- ☐ 04 Financial evidence of at least THB500,000 or equivalent; provide the bank-history period required by that mission.
- ☐ 05 Workcation: foreign employment contract or certificate, or a professional portfolio proving remote-worker or freelancer activity.
- ☐ 06 Completed application, fee and any mission-specific supporting records.
- ☐ 07 For dependants: main holder's DTV and marriage, birth or adoption evidence; separate financial documents if requested.
- ☐ 08 Translations, additional documents or interview if requested by the mission.
- ☐ 09 Police-clearance certificate where the filing mission requires it; follow that mission's certificate validity and issuing-country rules.

BEFORE SUBMITTING

Check dates, names, document validity, translations, and the checklist for your actual filing location. Keep originals and clear copies where required.

03 / Your next steps

- 01** Apply from outside Thailand through Thai eVisa or the mission responsible for your location. Choose DTV workcation, submit the financial and professional evidence, and follow any additional requests from that mission.
- 02** Five-year visa validity is not five years of uninterrupted residence. Each entry permits up to 180 days.
- 03** Immigration may approve one extension of up to 180 days per entry. After the maximum stay, depart and re-enter while the DTV remains valid.
- 04** Pay the responsible mission's published local-currency visa fee; charges differ by mission.
- 05** Spouses and children under 20 use separate DTV applications. Confirm accepted sponsorship and funds evidence with the mission.
- 06** Remote work evidence must match the workcation purpose. Check Thai employment rules before accepting local employment.
- 07** London's September 2026 checklist requires permanent residence and a police certificate issued within six months. Savannakhet requires Lao nationality or permanent residence and police clearance from 31 August 2026. Confirm your own mission's rules before planning a filing.
