REVIEW - 2026-10-19

Rechecked ANSIE eGovernment and National Tourism guidance: apply electronically, pay, obtain approval before travel and carry the issued visa with the passport. The guide retains approval-specific stay, entry-point and eligibility conditions without promising an automatic arrival entitlement.

02 / Your document checklist

Tick each item as you prepare it. Items that depend on your circumstances still need the official filing checklist.

- ☐ 01 Passport and copies with the destination's required validity.
- ☐ 02 Return/onward itinerary and any transit permission needed en route.
- ☐ 03 Accommodation/host address and funds for the planned stay.
- ☐ 04 Travel insurance appropriate to the itinerary.
- ☐ 05 Receive approval before departure and verify accepted entry point, dates, and number of entries.

BEFORE SUBMITTING

Check dates, names, document validity, translations, and the checklist for your actual filing location.
Keep originals and clear copies where required.

03 / Your next steps

01 Tourist admission does not establish a local-employment right.

02 Check transit requirements separately from destination permission.
